

F-7030

Ser. No. 09/879,597

**REMARKS**

Claims 1-10 remain in this application. Claim 1 is amended herein to correct a typographical error unrelated to substantive patentability issues.

The proposed amended claim does not require further search because the amendments are formal in nature and do not affect the understood substantive content of the claims.

The above amendments were not presented earlier because they were only discovered upon final review prior to payment of the issue fee.

Notice of entry of this amendment is respectfully requested.

Respectfully submitted,
